Engine #1

Engine Make:	Caterpillar	Hours:	125
Engine Model:	C18	Power:	1150 hp
Primary Engines:	Inboard		

Engine #2

Engine Make:	Caterpillar	Hours:	125
Engine Model:	C18	Power:	1150 hp
Primary Engines:	Inboard		

Exterior Main Deck

All exterior decks are covered in traditional teak. Boarding the yacht is easy via the large integral swim platform aft. Port and starboard transom stairs lead up three steps to the large covered aft deck lounge area with centerline U-shaped dinette and table seating up to eight persons with three additional custom folding chairs for al fresco dining and entertaining.

Outboard electric mooring winches and controls with stainless cleats and fairlead ports make docking easy and safe. Portside stairs forward lead up to the Flybridge. To starboard there is a fiberglass serving counter top with a sink efficiency and small refrigerator below. Outboard port and starboard gates offer alternate boarding from dock steps. Generous walk-around decks provide access to the large foredeck featuring the anchor windlass station at the bow with chain locker and fender storage followed by an over-sized sun pad. Next aft is a built-in settee lounge area seating up to 6 with a custom folding stainless and canvas Bimini Top sun shade.

Main Salon

Moving forward from the Aft Deck area through a glass and stainless bi-fold sliding door, the Main Salon is comfortable and inviting with tasteful dark "Sand Oak" trim and flooring complemented by muted light leather and earth tone fabrics. To starboard is a built-in sofa

seating 4 with a pop-up large screen TV outboard. Opposite to port is an L-shaped sofa seating 4 followed by a built-in glass stemware cabinet and Bose stereo controls at the port aft bulkhead. Two small posted cocktail tables on removable mounts offer additional dining and entertaining options. All main salon seating as well as the matching ottoman have built-in storage below. All main deck windows have folding fabric “Roman Blinds” for shade and privacy. The entire yacht features multi-zone air conditioning and heating as well as DirecTV and Fusion remote stereo controls.

- Samsung 48” flat screen TV with motorized pop-up cabinet
- Bose Home Entertainment stereo
- Fusion stereo distribution system
- DirecTV

Galley

Moving forward and up two steps is the efficient open midships Galley with marble counter tops and upgraded stainless appliances to port with a 5 person dinette opposite to starboard. A centerline serving counter in the galley cleverly doubles as a buffet or wet bar with generous drawer and cabinet storage below.

Galley Appliances:

- Miele 4-burner glass-ceramic cooktop with Sea Rail pot holders
- Vitrifrigo SS vertical refrigerator/freezer with 2 lower cold drawers
- Miele combo convection oven/broiler with microwave
- Cuisinart Grind/Brew coffee maker
- Vitrifrigo wine cooler
- Electrical Frosting Cristal Divider panel

Main Deck Helm Area

All the way forward on the Main Deck is the fully appointed electronics dash console and steering station to starboard featuring two custom leather helm chairs and complete marine electronics and engine controls. Opposite to port are two swiveling bar stools with leather dash counter and drink holders forward as well as a small serving shelf adjoining the galley aft. A centerline stairway forward leads down to the Guest Accommodations.

Marine Electronics and Navigation Equipment Lower Helm:

- Marex OS II engine controls
- Raymarine GS Series Platinum Package with dual multi-function displays
- Raymarine Radar, 3-D Chartplotter with satellite overlay and GPS
- Raymarine Multifunction speed, depth, fish finder, sea temp
- Raymarine AIS 650 (Automated Identification System)
- FLIR (Forward Looking Infrared Radar)
- Raymarine CCTV video camera display (Engine Room Cockpit and Flybridge)
- Raymarine VHF radio
- Seakeeper Stabilizer control
- Sidepower Bow and Stern Thruster controls
- Aventics Easy Docking Joystick controls
- Optimus EPS (Electronic Power Steering)
- Optimus Rudder Angle Indicator
- Jabsco Searchlight remote control
- Quick Windlass remote control and chain counter
- SeaFire Fire Suppression remote control
- Bennett Trim Tabs control
- Ritchie 4" magnetic compass
- Gallinea windshield wiper and washer controls

Guest Accommodations

Moving forward and down the centerline stairway 5 steps is the forward Guest Accommodations Foyer. To starboard is the Day Head with shared ensuite head and shower access for the starboard twin berth stateroom. To port is an over/under berth guest cabin. All the way forward in the bow is the VIP Stateroom with centerline Island Double Berth and ensuite head and shower. Port and Starboard Guest Staterooms feature Samsung flat screen TVs. The VIP Stateroom forward features a large Samsung TV with Bose sound system.

Port Stateroom:

- Condaria air conditioning/heat
- (2) Samsung 24" flat screen TVs
- DirecTV

Starboard Stateroom:

- Condaria air conditioning/heat
- Samsung 24" flat screen TV
- DirecTV

VIP Stateroom:

- Condaria air conditioning/heat
- Samsung 24" flat screen TV
- Bose stereo sound system
- DirecTV

Master Stateroom

Moving aft from the Guest Accommodations Foyer and down 4 steps is the luxurious full beam amidships Master Stateroom. The athwartships double Island Berth is located on the port side with outboard night stands. Opposite to starboard is an intimate built-in table with seating for two. Adjacent on the forward bulkhead is an oversized flat screen Samsung TV on a swivel mount. Generous hanging locker and drawer storage is aft to starboard. And the luxurious Master head and shower is located aft, amidships and to port.

- Condaria air conditioning/heat
- Samsung 48" flat screen TV
- Security safe box
- Bose stereo sound system
- DirecTV

Laundry

Separate laundry washing machine and clothes dryer are located in port and starboard cabinets along the Owner Stateroom stairs passageway.

- Miele Softronic washing machine
- Miele Softronic clothes dryer

Flybridge

The large Flybridge area is accessed from the Aft Deck via port side stairs up 8 steps through a Plexiglas folding hatch. All the way forward to starboard is the Flybridge Helm Console, fully appointed with all electronics and navigation equipment found at the lower helm. Adjacent to port is a small dinette booth seating 5 with a collapsible teak table and matching insert cushion that converts the space to a lounge pad or berth. Overhead, most of the Flybridge area is covered by an innovative carbon fiber reinforced hard top with a full Eisenglass enclosure and retractable motorized sun roof. Aft of the helm area is an entertainment console to port featuring a specialty “Sun Brite” 32” TV and storage cabinet below with Vitrifrigo mini refrigerator and “Side Bar” 5-beverage liquor dispenser. Adjacent to starboard is another dinette seating 6 with a large teak table. The aft Flybridge is open featuring a stylish right angle lounge settee to starboard, seating four with a low teak cocktail table. Opposite to port is a barbecue console with a Kenyon double stainless steel electric grill and Kenyon glass-ceramic 2-burner cooktop with storage below.

Marine Electronics and Navigation Equipment Flybridge Helm:

- Marex OS II engine controls
- Raymarine GS Series Platinum Package with dual multi-function displays
- Raymarine Radar, 3-D Chartplotter with satellite overlay and GPS
- Raymarine Multifunction speed, depth, fish finder, sea temp
- FLIR (Forward Looking Infrared Radar)
- Raymarine CCTV video camera display (Engine Room, Cockpit and Flybridge)
- Raymarine VHF radio
- Seakeeper Stabilizer control
- Sidepower Bow and Stern Thruster controls

- Aventics Easy Docking Joystick controls
- Optimus EPS (Electronic Power Steering)
- Optimus Rudder Angle Indicator
- Jabsco Searchlight remote control
- Quick Windlass remote control and chain counter
- Sea Fire Fire Suppression remote control
- Bennett Trim Tabs control
- Ritchie 4' magnetic compass
- Yacht Controller TXEN-JOY wireless remote with Fusion Joystick controller
- EPIRB (Emergency Position Indicator Radio Beacon)

Engine Room

The engine room is located beneath the Main Salon and is accessed through a large hatch on the aft deck sole. Midship stairs lead down to the engine room sole aft of the twin C-18 Caterpillar diesels and just forward of the Onan Cummins diesel genset

Mechanical Equipment and Engine Details:

- 2 Caterpillar C-18 diesel engines
- Double Racor fuel filter upgrade
- 2 Walker Airseps engine intake air filters
- Glendenning Cable Master shore power cable system
- Benzoni motorized passerelle telescoping gangway at transom
- Condaria World Version 92,000 BTU air conditioning and reverse heat with 7 control zones
- Central manifold canister vacuum cleaner system throughout
- 80L marine water heater 1200W/220V
- (3) bilge level alarms

- (3) automatic bilge pumps 24V
- Super Smart 650 electric bilge pump 24V
- (2) manual bilge pumps
- 3-way valve engine coolant emergency bilge pump manifold

Electrical System

Electrical System:

- 240vAC-60Hz/120vAC-60Hz
- 24vDC, 12vDC
- Onan/Cummins 21.5kW diesel genset
- (10) 24V 90Ah marine batteries
- (2) 12V 50Ah marine batteries
- 12V 10A marine battery charger
- 24V 80A marine battery charger

Crew Accommodations

The air conditioned Crew quarters are located at the stern of the yacht with access through a transom water-tight door from the integral swim platform aft. Split twin berths are arranged at right angles to starboard and amidships. On the port side there is a small private head and basin room with hand-held shower nozzle and a “wet compartment” sump drain below.

- Condaria air conditioning/heat
- Safe T Alert carbon monoxide alarm

Swim Platform and Tender

The hydraulically submersible large swim step aft is a cleverly designed platform providing easy and safe access for snorkeling, diving and all manner of water sports. Submersible for easy dinghy launch and clever platform for snorkeling and diving. Custom removable dinghy chocks hold the yacht’s tender for convenient and safe launch and retrieval.

- Mercury M35 Console RIB tender with 40 hp Mercury EFI outboard motor

Miscellaneous

Miscellaneous:

- Canvas Covers
- Lines and Fenders
- Life Jackets and Safety Equipment
- Linens, Towels, Bedding and General Galley Equipment

Remarks

NADENIKA is a rare offering on the West Coast USA with extremely low hours on the twin Caterpillar C18 diesels (125 hrs) and a very full complement of options including: Seakeeper gyro stabilization, bow and stern thrusters, Raymarine Platinum Electronics Package including FLIR (Forward Looking Infrared Radar). Lightly-used in extra-fine condition, NADENIKA is a terrific opportunity to own the latest and best Azimut model at a significant savings over a new vessel purchase. Change of plans and owner relocation forces sale. Owner's personal effects including clothing, tools and art are excluded from inventory.
